RF FOIL | RACING FOIL & CRUISING

ENJOY AMAZING RIDE

AST
81

CARBON
81

PROGRAM

- Dedicated for foiling in racing or recreational condition, The RF 81 will be displayed in 2 construction carbon and AST

FACTS

- The RF 91 and 81 have specific deck and bottom shape to make foiling easier, Round tucked rail running deep to the bottom shape, the nose shape is built into a slight "round VE" to help the landing and touch down without losing speed
The flat deck shape is design to have the feet in full contact while the board is railing, volume distribution is design to help foiling with feet in the footstraps

FEATURE

- 4 footstraps
